

Energy Security and Reliability Summit

Resilience Recharged: Addressing Energy Reliability and Grid Sustainability

Christopher Newport University | October 22, 2026

This conference provides high visibility to a key executive audience in the Hampton Roads, VA region. The program includes high-level speakers from government and industry to explore the latest advancements, insights and issues in energy and infrastructure resiliency.

- Attendees to include representatives from private industry, government agencies, and academia from throughout Virginia.
- Proceeds will support CNU's Center for American Studies.
- For additional information or to sign up as a sponsor, please contact Dr. Nathan Busch at (757) 594-8498, or nbusch@cnu.edu.
